Short Description

LED work light workshop lamp with rechargeable battery, torch with strong magnetic base and hook, inspection lamp, emergency light, hand lamp for car repair, workshop, camping

Discover the versatile and powerful ATH workshop lamp, ideal for vehicle workshops and repairs on cars, lorries and motorbikes.

The ATH workshop lamp is ideal for various applications, whether for repairs, outdoor activities or as emergency lighting. With a charging time of only approx. 3 hours and an operating time of up to 8 hours, it will reliably accompany you through any darkness.

Main features:

Swivelling and foldable: Offers flexible lighting options thanks to various positioning options.

2x magnetic holder: Enables easy attachment to metallic surfaces for hands-free working.

Sturdy hook: Convenient for hanging, ideal for confined or hard-to-reach areas.

Product description:

The ATH workshop lamp is multifunctional and is perfect for vehicle repairs, hunting and indoor and outdoor activities. It not only serves as an inspection lamp, but also as emergency lighting. The innovative spindle structure makes it possible to rotate the aluminium light section vertically by 180 degrees and fold it completely horizontally.

Technical data:

Model: ATH workshop lamp

Protection class: III

Degree of protection: IP20

Adapter input: 100 - 240 V ~ 50/60 Hz

Adapter output: 5 V; 1 A (max.)

Light source: Main light: 3.3 W 12x SMD, torch: 1.0 W 1x SMD

Luminous flux: 400 lm (main light), 70 lm (torch)

Lighting angle: 110° (main light and torch)

Colour temperature: 5700 K (5665 K ± 355 K)

Charging time: approx. 3 hours

Operating time: approx. 3 hours (main light), 8 hours (torch)

Battery:** Li-Ion 3.7 V; 2000 mAh

Operating temperature: -10°C to +40°C

Dimensions (L/W/H):** 44 x 34 x 300 mm

Net weight: 220 g

Additional functions:

Separate push switch: Controls upper torch and main light; roller switch dims main light from 40 to

400 lumens.

Ergonomic grip: TPR rubber ensures a comfortable feel and secure hold.

Flexible attachment: Magnetic bottom and back; strong metal hook for hanging on poles, branches or ropes.
